

Working to make Gleadless Valley a better place

The Forum is Spreading its Wings

In our effort to serve the Gleadless Valley community more successfully we are always looking for opportunities to grow and provide more activities.

We have now been given the opportunity to take on the running of the newly opened community building up at Herdings. This will give us a wonderful opportunity to provide more youth activity, to provide more courses and training events and to be generally more active in the Herdings community.

Improving our Premises at Gaunt Shops

This will also give us the chance to update and upgrade our premises at the Gaunt.

So what are we going to do?

1. Give 187 Blackstock Road a bit of a face lift inside.
2. Move the Online Centre and all the computers into 187 so that we can offer a fresher, brighter environment where everyone is welcome.
3. Move office based staff including the Older People's Project Coordinator and the Youth Activity Coordinator up to Herdings with admin staff.

Everything we currently offer from our premises at Gaunt Shops will still be on offer including:

- A massive range of training opportunities for ALL adults in south Sheffield.
- The invaluable One Stop Shop at 187 Blackstock Road for faxing, copying and printing; advice and signposting;

community support; referrals to the stop smoking service and the Older People's Project.

- GV Job Club for employment support and guidance
- 189 Centre community space for use FREE by all community groups.
 - SORTED Health Drop in clinic
 - ICE homework club
 - *And much, much more*

We apologise in advance for any disruption caused as we move around between buildings.

Rest assured, business will continue as normal.

Kind regards,
